### **Maggie Walker Block of the Month - 'House Cats'**

We had so much fun in our Maggie Walker class in 2008 that we are bringing it back again in 2009!! 'House Cats' is Maggie's new quilt which was just introduced at the International Quilt Market in Houston this past October. It is made up of 3 patterns of cats in various poses with roses and iris. Join Leslie, Maggie's principal appliqué stitcher, as she shares her 'tricks of the trade' and guides you through your very own Maggie Walker quilt. We will meet once a month for 8 months, focusing on a different technique each time. This is an intermediate/advanced appliqué project so prior knowledge of hand needleturn appliqué is required. Anyone who would like to stitch one of Maggie Walker's other block of the month patterns is also welcome in this class as the techniques and process for each are very similar. Leslie has many pictures with her or you can check out Maggie's website: [www.maggiewalkerdesign.com](http://www.maggiewalkerdesign.com) to see all your choices.

\*\*If you need patterns for this class, just let the shop or Leslie know which ones you want and we will order them for you. You don't need to take the class to purchase any of Maggie Walker's patterns.

\*\*Any 'veterans' of Leslie's previous Maggie Walker block of the month classes are entitled to return for this new cycle at a reduced fee, space permitting. Please contact the shop to inquire.
